RE: CERTIFIED C-TPAT MEMBERSHIP

Citrusuco North America, Inc. (CNA) is committed to the highest standards of quality in its operations and products. CNA recognizes the need to further protect its product from possible acts of terrorism throughout their international supply chain. As a certified member of C-TPAT, CNA meets or exceeds all C-TPAT requirements and provides the necessary resources and controls to ensure its security procedures are in compliance with the C-TPAT program. These requirements include a broad range of topics including personnel, physical and procedural security; access controls; education, training, and awareness; manifest procedures; conveyance security; threat awareness; and documentation processing. Citrusuco North America was among the first companies to join the C-TPAT membership.

CNA's security profile and supply chain have been fully audited and validated to include the following supply chain organizations:

Citrusuco North America, Inc.	Wilmington, Delaware
Citrusuco North America, Inc.	Lake Wales, Florida
Fischer S/A Comercio, Industria E Agricultura	Matao, Brazil
Fischer S/A Comercio, Industria E Agricultura	Santos, Brazil
Maritime Services Aleuropa GMBH	Hamburg, Germany

C-TPAT STATUS: CERTIFIED, EXCEEDING -- October 2008
